

# Viridis Demo

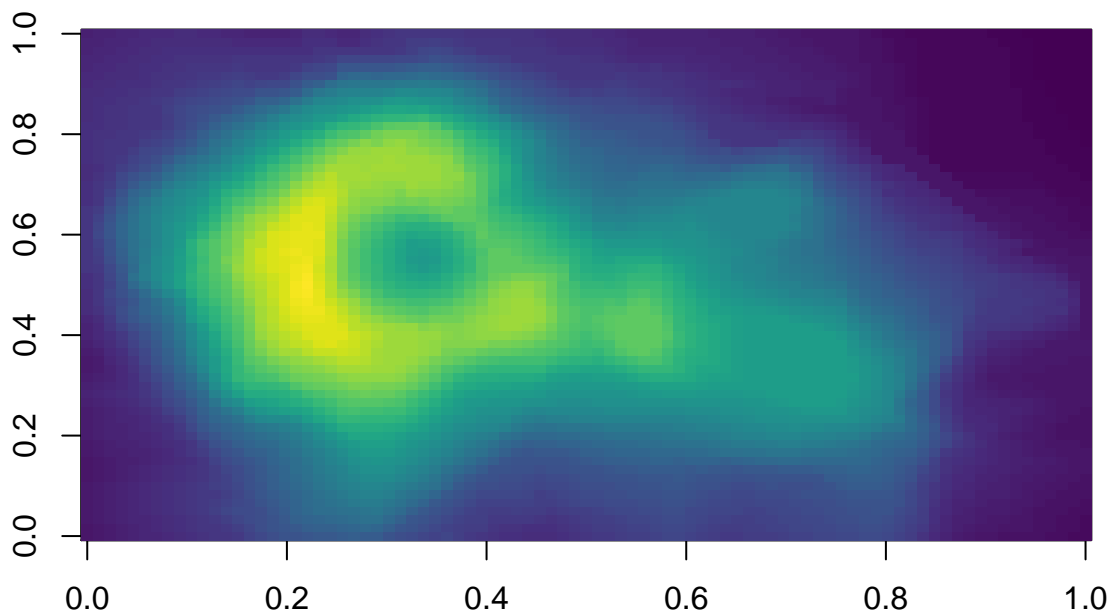

## Contents

0.1	Viridis colors . . . . .	1
0.2	Magma colors . . . . .	2

The code below demonstrates two color palettes in the viridis package. Each plot displays a contour map of the Maunga Whau volcano in Auckland, New Zealand. ąčęšųž é

### 0.1 Viridis colors

```
image(volcano, col = viridis(200))
```

## 0.2 Magma colors
